

Wilbur Warner Trust Application Guidelines

1. Requests for grants considered by the committee must come from an organization. Grant requests from individuals will not be considered.
2. Each request must be for a special project, not for funds to assist with current programming or the general operational budget.
3. Organizations wishing to be considered for a grant award must meet one of the following criteria:
 - An organization that is expressly Christian in its mission and the nature of its activities;
OR
 - A secular organization that serves the Uptown/Edgewater neighborhoods, and whose purpose is consistent with the role of North Shore Baptist Church in the community.
4. Maximum yearly awards per organization will be:
 - \$5,000 for organizations based in the United States.
 - \$3,000 for organizations based outside the United States.
5. Awards will not be automatically renewed. If a subsequent grant is desired, a new, complete application must be filed with the committee no sooner than two years from the previous award.
6. Qualifying organizations must apply directly to the committee following the application requirements as indicated on the application form.
7. Application and requests must be presented in English.
8. When requesting a grant for a project involving construction, the application must include a drawing or visual plan of expected result.
